

## Labour Hire

CPC Labour Hire provides flexible solutions to the resources sector. We partner with our clients to ensure their budget and time requirements are met by providing a turnkey supply of quality staff. CPC Labour Hire provides complete insurance coverage to eliminate your risk (public liability, professional indemnity and workers compensation).

Other benefits include a flexible and scalable work force and access to an excellent database of high calibre individuals. We are proud to call ourselves a specialist Labour Hire company and take great pride in what we do. Whether it be one person or a large team, for one day to many months, CPC Labour Hire can handle it. We recruit many blue and white collar roles within the mining and resources sector, these include but are not limited to the following:

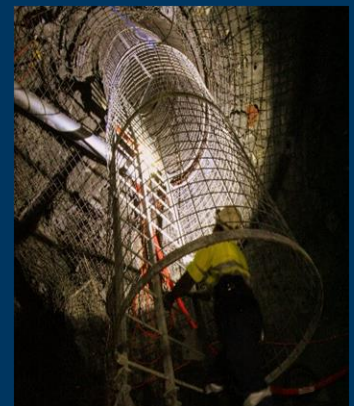

- |                     |                               |
|---------------------|-------------------------------|
| Boilermakers        | Draftsmen                     |
| Safety advisor      | Scaffolders                   |
| Stores personnel    | Concrete workers              |
| Mechanical fitters  | Welders                       |
| Electricians        | Supervisors                   |
| Sheet metal workers | Servicemen                    |
| Engineers           | Trades assistants             |
| Labourers           | Leading hands                 |
| Diesel fitters      | Rigger dogman                 |
| Estimators          | Mobile plant operators        |
| Crane operators     | Site administration personnel |
| Carpenters          | Instrument technicians        |
